On October 13, 2020, Edward Vallee filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

at 6. Respondent further agrees that Petitioner has satisfied the statutory requirements necessary for entitlement. *Id.* at 6-7.

In view of Respondent's position and the evidence of record, I find that Petitioner is entitled to compensation.

IT IS SO ORDERED.
